PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

(By Paul Rardin)

A construction program amounting to \$120,000 has been authorized by members of the Belle Glade Elks club and construction will start on a new lodge hall within the next three weeks under the direction of Bert Roemer, contractor. It will be a completely modern building on the site of the present lodge hall.

Palm Beach County State Representative Emmett S. Roberts, senior member of the local legislative delegation, would make an excellent member of the Florida Railroad and Public Utilities Commission. With his many years of legislative experience, coupled with his state-wide membership on many highly important committees, Mr. Roberts is thoroughly equipped to hold such an office.

Recent renovations and remodeling have made Averill's Camera Shop in Belle Glade an inviting and splendidly equipped place of business. "The Family Photographer" is ready, willing and able to take care of all photograph needs in his newly decorated place. Be careful when you walk in the front door or you may bog up in the handsome new carpet.

Contractors are busy this week laying the final coating of black top on State Road 80 between South Bay via Belle Glade to Twenty Mile Bend. The newly conditioned road is as smooth as a table top. Next in line and certainly it needs the same kind of treatment is SR15 between Pahokee and Belle Glade.

Workmen are busy this week remodeling the building formerly occupied by Shackford Machine Shop into a suitable place for Harlan Sears to move his hardware store from its present location in the Tucker building in Canal Point. Hardware Man Sears recently purchased the old machine shop building from William S. Plummer, Pahokee head of the Glades Chemical Company. From the looks of things it will take several weeks to put the new location in proper condition for the hardware operation, however, present plans call for everything to be in the new spot not later than February first.

Speaking of new locations—Lynn Shirley and his Texaco products concern are making preparations to move to a new location on the highway immediately north of Shirley Brothers concrete plant in Pahokee. The Texaco man recently purchased a plot of ground from the sugar company on the south end of the "strip" and will make extensive improvements before moving his bulk plant.

On Saturday, November 14, the recently opened Bank of Belle Glade celebrated its first birthday anniversary.

Yeggs found a weak spot in the wall of the storage box at Everglades Federal Savings and Loan Association branch office in Pahokee last Thursday night and carried away \$2,860.73 in cash. Money taken in at the Federal is usually deposited every afternoon.

Public Hearing On Sugar Cane Labor

A public hearing will be held in Miami City auditorium on Wednesday, December 2, to consider information in regard to importation of foreign labor. All interested parties are urged to attend, especially those in the Glades area who use foreign labor to harvest sugar cane.

14 Rotarians Will Be Awarded Pins

Next Thursday, Dec. 3, a special anniversary program will be held by the Pahokee Rotary club marking 35 years since the charter was received from Rotary International. Fourteen Rotarians will be honored with membership pins in the program.

Past President Paul Rardin, who will receive a 30 year membership pin, will be in charge of the program. He said that wives of 13 of the 14 members to be honored will also be in attendance.

Rotarians to be honored next Thursday and the number of years they have been members of the club are as follows:

NAME	YRS.
J. V. Thomas	32
W. C. Young	32
Paul Rardin	30
Olaf Boe	26
Joe Alderman	25
C. G. Willis	24
Joe Kahn	23
O. B. McClure	22
Don Hillier	20
Claude Shirley, Sr.	19
Elmer Jones	19
James Moore	18
Bascom Belcher	17
Thadd Whidden	17

Luther Jones Is Signally Honored

Belle Glade Herald publisher Luther Jones was honored Tuesday night by the Belle Glade Chamber of Commerce by being named the "Man of the Year." It was an honor rightfully bestowed on a man who has been a guiding light in the community for many years. His many good points were named in the presentation speech.

Possibly his greatest contribution to the economy of the area was his fight for flood control. It was through his work that the program was developed that allowed the conversion of Glades acreage to the production of vegetables and sugar cane.

The publisher, realtor and developer suffered a severe heart attack on May 16. After several weeks' convalescence the 70-year-old civic leader recovered and was able to return to his active status in the community.

OFF TO CHICAGO

Miss Nancy Harrington, 4-H Jr. leader plans to leave this weekend to attend the National 4-H congress in Chicago, Ill. Miss Harrington is the daughter of Mr. and Mrs. A. R. Harrington, Canal Point.

in the bank. However, some late arriving cash was available for the burglars after they gained entrance into the new building.

Funeral Services For Grady Boynton

Funeral services will be held this (Friday) afternoon at two o'clock in the Community Building in Canal Point for one of Canal Point's pioneer and well loved citizens. Death came Tuesday to H. Grady Boynton, 73, who was stricken with a severe attack Saturday morning after which he was rushed to a West Palm Beach Hospital where everything possible was done for him.

The services this afternoon will be conducted by Rev. Robert Shelley of Alachua, Fla., former pastor of the Canal Point Methodist church. Burial will be at Port Mayaca Cemetery. Wetherington Funeral home of Pahokee will be in charge of arrangements.

Survivors include his widow, Mrs. Katherine E., of Canal Point; two daughters, Mrs. Anna Lee Faulk, Belle Glade, and Mrs. Clara Beverly, Ochlocknee, Ga.; a son, Joe Tom Boynton, Pahokee; eight grandchildren and four great-grandchildren; a brother, Seaton Boynton; three sisters, Mrs. Eldee Stevens, Bartow; Mrs. Mildred Knapp, Sarasota, and Mrs. Virginia Oates, Lakeland.

Sugar Symposium Is Set For Dec. 3rd.

Dear Sugar Cane Grower:

I would like to call your attention to the Sugarcane Symposium which will be held at the Annual Meeting of The Soil and Crop Science Society of Florida at The Holiday Inn in Palm Beach, (opposite Lake Worth) on December 3rd, starting at 8:00 a. m. Dr. Joseph Orsenigo, Associate Horticulturist, Everglades Experiment Station, will conduct this morning's program.

Varieties—Dr. Leo Hebert.
Fertilizers—Dr. Richard Iley.
Culture and management—Drs. LeCroy and Orsenigo.

Diseases—Dr. Wehlburg.
Insects and their control—Mr. Gifford.

Nematode Control—Dr. Winchester.
Rodent Control—C. R. Madsen, of the Fish and Wildlife Service.

Weed control—Dr. Orsenigo.
Maturity determination—Willard Doty, U. S. Sugar Corporation.
Harvesting and handling—Joseph Sexton, U. S. Sugar Corporation.

By-product utilization—Drs. Chapman, Haines and Mr. Casselman.

This program should be one that you would like to hear and I hope that you can arrange your business affairs to be present. The program starts at 8:00 o'clock in the morning, Thursday, December 3rd, and will finish by noon.

Yours very truly,
John H. Causey
Associate County
Agriculture Agent.

Bob Meyer of Cayahoga Falls, Ohio, spent Thursday and Friday of last week in Pahokee as the guest of his father-in-law and mother-in-law, Mr. and Mrs. J. V. Thomas while on a business trip. Mr. Meyer remained in Ohio while he made the trip.

Senior Girl Scout Troop On Camp

The senior Girl Scout troop 38 of the Pahokee Girl Scouts spent this past weekend camping with other senior Girl Scouts from the Palm Glades council at Camp Welaka in Jupiter. The Saturday night program was presented by The Explorer Scouts of the Order of the Arrow and was made up of a number of Indian dances. Following the program a "hootananny" was held at the lodge for the scouts.

Corn Drops To \$2.00 Celery Fair Price

The price on sweet corn tumbled this week and the highly satisfactory price of \$3.00 per crate became a mere \$2.00 during the first part of the week. The price drop was brought about by the quality of the corn and the abundance thereof in the Lake Okechobee Region at this particular time of year.

Celery is beginning to toll to northern markets and the price has been fair for first season offerings. The price has varied this week from \$2.50 per crate to \$2.75 and growers seem to be satisfied.

Beans in moderate supply have been going to the canning plants at a price of around \$3.00. A few Valentines sold for \$3.00 this week also but beans are not the big crop in the Lake Area that they were a few years ago.

Radishes are selling from 75c to 85c per crate. The supply of pepper is insufficient to warrant a price quotation.

Local Garden Club Hears Ass't Agent

The Canal Point Garden Club met at the Community Building Thursday at 3:00 p. m. and heard Norman Bezona, assistant county agent, speak on "Shrubs and trees for roadside beautification".

The botany study on "stems" was presented by Mrs. C. B. Stringari. Mrs. Duke Tucker presided at the business meeting. Mrs. O. H. Sheppard acted as hostess.

The December meeting will be December 17 at the community building at which time a program of Christmas customs and songs will be presented. A gift exchange is also being planned.

Annual Meeting Of Glades Cattlemen

The Annual Meeting of the Palm Beach County Cattleman's Association will be held at the Glades Office Building, Belle Glade, at 8:00 p. m., Tuesday night, December 1st. A program that should be of interest to all has been arranged since buying and selling of cattle futures will be discussed by a local stock broker. There will be two or three Directors elected at this meeting.

Mr. and Mrs. Harry Sheppard and children of Palm Beach Garden are the guests of her parents, Mr. and Mrs. Marvin Crady, this week.

Devils Set Record, Nary A Win In 1964

The Pahokee Blue Devils set a record during the 1964 foot ball season that has, been unequalled since the inception of the gridiron game in Pahokee back in 1931. They lost every game this season—all ten of them.

In the annual Turkey Day eve game with the Belle Glade Golden Rams, the Pahokee eleven under the tutelage of Webb Fell lost the final game of the season by a score of 18 to 7. With the results of the game went the Lions' Club Bill Young trophy. The trophy established many years ago is a handsome gold cup that has changed hands through the years, all depending on which team was the winner—Pahokee or Belle Glade.

For the records and posterity the 10 game losing streak is chalked up below with the official scores.

Clewiston 13	Pahokee 6
Vero Beach 13	Pahokee 12
Forest Hill 14	Pahokee 6
Lake Worth 12	Pahokee 0
Riviera Beach 7	Pahokee 0
Stuart 19	Pahokee 0
Seacrest 39	Pahokee 6
Palm Beach 30	Pahokee 0
Ft. Pierce 13	Pahokee 0
Belle Glade 18	Pahokee 7

Voting Machines Under Lock & Key

County Commissioners took steps Monday to provide legal counsel for the county canvassing board or any commissioner who becomes involved in a court suit seeking a re-check of voting machines used November 3rd.

A suit, seeking a review of the tabulations on all voting machines was filed in circuit court by Al Zalla, chairman of the county Democratic organization. The suit was dismissed with the plaintiff given additional time to refile the suit.

The county board voted Monday, that if the canvassing board which is made up of Commissioner George Warren, Registrar Daniel Gorgeham and County Judge Paul Douglas, request counsel, County Attorney Harry Johnston shall represent the board. If the board declines the offer, the commission voted that Johnston should represent Commissioner Warren in any further legal action in connection with the case.

The county commission also took note of the delay in the case and decided to keep the voting machines under lock and key until the litigation is settled. Ordinarily the machines are cleared ten days after the canvassing board files its report but in view of pending court action, the commission decided to keep the machines impounded.

This required the City of Delray Beach to look elsewhere for voting machines for a municipal election on Dec. 1. The county had agreed to loan machines to the municipality but cannot follow through because of the court case. Delray Beach said it would borrow machines from Broward County for its city election.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The engineering firm of Adair and Brady was named this week by the county commission to prepare plans for improvement of airports at Lantana and Pahokee.

Plans for improvements at the two airfields are due by March 1.

In other airport actions the commission instructed County Engineer George Frost to contact the State Road Department in an effort to get a definite alignment for I-95 in the area of International Airport. Engineers now at work on a new airport complex say a definite location for I-95 is necessary before proceeding too far with complex plans.

The commission also voted to demolish a storm damaged hanger at Lantana Airport. The board was advised that a second hanger at the field will have to be repaired before the next hurricane season.

In other actions Monday the commission:

Instructed the engineering department to start acquiring right of way for Mackay Radio Road near Jupiter.

Approved a resolution calling for improvement of Bond Way in the south end of the county and awarded the contract to Har-Drives of Delray Beach. The board also approved appointment of engineer to draw plans for improvement of the southern extension of Bond Way.

Authorized the purchase of 100,000 pleasure maps for the county—half of them to be distributed from the county Welcome Station and the balance to be furnished to county Chamber of Commerce organizations for distribution.

Approved a 10-hour a day working schedule for a county dredge now pumping in Lake Okechobee.

Authorized preparation of an alignment and right of way map for extension of Jog Road between

Delray Beach and Boca Raton West Roads.

Young Ezzell Is Promoted To A-1C

BALBOA, Canal Zone — Joseph W. Ezzell, son of Mrs. Ida V. Shields of 3418 Bacom Point, Pahokee, has been promoted to airman first class in the U. S. Air Force at Albrook AFB, Canal Zone.

Airman Ezzell is a radio operator in a unit that supports the Air Force Communications Service mission of maintaining communications for control of global Air Force operations.

The airman, a graduate of Pahokee Senior High School, attended Florida State University, Canal Zone extension.

Ramey Family Has Thanksgiving Meet

Thanksgiving dinner guests of Mr. and Mrs. George B. Ramey were her sister and brother-in-law, Mr. and Mrs. Ted Beach of West Hartford, Conn.; her brother and family, Mr. and Mrs. P. B. Williamson of Okeechobee; their daughter and son-in-law, Mr. and Mrs. Hugh Miller and family of Rockledge; their son and daughter-in-law, Mr. and Mrs. David Ramey of Rockledge; and their nephew and family, Mr. and Mrs. Kenneth Williamson and son Ken of Indianapolis.

AUXILIARY MEETING

The Auxiliary of the Canal Point Baptist Church met Monday afternoon following their regular meeting to pack and deliver the Sunshine Baskets to "shut-ins" in the community.

Work May Halt At Church Request

Palm Beach County Commissioners this week said they would make some \$50,000 paid out for right of way in West Palm Beach, going down the drain.

The money represents payments made on extension of Chase Ave. in West Palm Beach, a project that the First Baptist Church wants to see abandoned.

Alignment of the road, being financed by the county at the request of the City of West Palm Beach, has already been changed three times which has made it necessary to re-draft plans twice—revisions which have cost an estimated \$5,000.

Dr. Jess Moody, pastor of the church, appeared before the county board Monday, saying that the extension of the road would damage church property. He said that the congregation voted against the project only last week.

The pastor explained that a committee of deacons who previously had approved an alignment for the road, had been voted down by the congregation.

County Attorney Harry Johnston said the board couldn't abandon the project since it was part of a bond issue already validated in court. A change in the road alignment, he said, would be permissible.

The commission referred the matter to the City of West Palm Beach, with a proviso that the county commission is willing to abandon the project if the city so desires.

The county right of way department said several parcels of right of way have already been secured—several paid for and in one instance a home has already been demolished and the land cleared for road construction.

E. V. Faircloth, a member of the church committee, said the church is prepared to go into court to stop the project. He also advised the commission that the project is being opposed by the association of former mayors in West Palm Beach on the basis that the improvement will not help alleviate a traffic problem in the area.

Mrs. J. B. Elliott of Ft. Lauderdale spent Thanksgiving Day with her granddaughter and family, Mr. and Mrs. Lee Wroten.

Kissimmee Bound Are The Witnesses

"We're going to Kissimmee next month for the feast of fat things," said Miss F. Crum, local evangelist, minister of Jehovah's Witnesses, told the witness congregation in Belle Glade at their meeting Sunday evening.

Mr. Crum went on to explain further that he was referring to a three-day religious gathering which witness supervisors Joseph Sala and David Bowman, working out of the witnesses' international headquarters in Brooklyn, New York, had arranged to be held at the Tupperware Home Demonstration Auditorium in Kissimmee, December 11 through 13.

The witnesses will also baptize new candidates for the ministry Saturday. Commenting on baptism Mr. Crum said, "baptism is not a step to wash away sins or to cause one to repent, rather, repentance and reverence must precede water baptism. This was expressly stated by the Apostle Paul in Acts 26:20."

Mr. Crum said, "we consider the Bible an absolute necessity for strength, guidance and counsel in these urgent times. Although we communicate with God daily through prayer when we need the Bible it is really God communicating with us; thus, we establish a channel of communication between us and God."

Mr. Crum added that this will be the Winter gathering for 19 congregations located in Central Florida, which are referred to as Florida Circuit No. 8. David Bowman is the supervisor of the Circuit, and regularly visits each congregation.

THANKSGIVING AT HOME

Mr. and Mrs. Olaf Boe motored to Orlando Tuesday night to meet their daughter, Miss Pam Boe and Miss Verlon Jones, daughter of Mr. and Mrs. Elmer Jones, who will spend the Thanksgiving holidays with their parents. Both girls are freshmen at Huntington College, Birmingham, Ala.

HOME FROM ITALY

Mrs. Russell Collins and children spent several days with her parents, Mr. and Mrs. F. E. Gillis following a two year stay in Italy where her husband has been stationed by the U. S. Air Force. Mr. and Mrs. Collins plan to leave this weekend for Lackland Air Force Base in San Antonio, Texas.

Travel Council Is Constituted

JACKSONVILLE—The Florida Travel Council officially constituted itself Nov. 15 as an arm of the Florida State Chamber of Commerce and sketched out plans to fatten the state's \$2.5 billion tourism business.

The council was organized to unite private enterprise in the promotion of the travel business throughout Florida. Lamar Allen of West Palm Beach is chairman of the new group.

Future plans for the council call for a survey of the tourism trade to help gain an understanding of what appeals to tourists. Cooperation between the council and the Florida Development Commission in developing tourism is another aim of the group.

Most concrete action taken at the council's first annual meeting was the adoption of a resolution calling for state signs at exits of the Sunshine State Parkway and other express highways designating nearby tourist attractions and asking for markers on federal and state highways letting tourists know attractions are nearby. The State Road Department will be asked to set up criteria for attractions to be recognized, and establish signs near each recognized attraction.

Mrs. W. P. Hitchcock is a patient at Everglades Memorial Hospital.

NOTICE OF INTENTION TO REGISTER FICTITIOUS NAME

Notice is hereby given that the undersigned, under the provisions of Chapter 20,953, Laws of Florida, Acts of 1941, will register with the Clerk of the Circuit Court, in and for Palm Beach County, Florida, upon receipt of proof of publication of this notice, the fictitious name, to-wit:

In Florida...
after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Florida...beer goes with fun, with relaxation
UNITED STATES BREWERS ASSOCIATION, INC.
P.O. BOX 273 WINTER PARK, FLORIDA

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

U.S. SAVINGS BONDS

Christian Science Group Of Canal Point

The power of Truth over illusion will be a central theme at Christian Science churches this Sunday. The hypnotic nature of evil will also be described in a Bible Lesson on the subject: "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Deplored."
 Featured will be this vivid passage from Revelation 12: "And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world."
 Related readings from the Christian Science textbook will include these lines: "Mortal mind is constantly producing on mortal body the results of false opinions; and it will continue to do so, until mortal error is deprived of its imaginary powers by Truth, which sweeps away the gossamer web of mortal illusions. . . . Truth casts out error now as surely as it did nineteen centuries ago" (Science and Health with Key to the Scriptures by Mary Baker Eddy, pp. 403,495).

Layman's Day Held By Local Baptists

Male members of the Canal Point Baptist church began their day with a Father-Son breakfast Sunday morning at 7:00 a. m., followed by Layman's Day at the 11 a. m. church services at which time the entire service was conducted by the men of the church.

Raymond Martin, master of ceremony, opened the services with Walter Cross giving the opening prayer. Bob Horton was pianist with music presented by an all male chorus. J. G. Weeks welcomed the guests followed by responsive readings led by J. S. Atkins.

Prayer was led by Cecil Rogers. Speakers were Charles Maxson, who spoke on "Thanksgiving for a Christian Heritage," Alton Jones who spoke on "Thanksgiving for a Christian Family" and Perry Hall/Thanksgiving for a Christian Future." Russell Maxson read the scripture and the benediction was given by Cecil Clark.

In the evening service the Armando Silverio Royal Ambassador chapter held their R. A. Achievement recognition service with Charles Brown, counselor, in charge. The achievement emblems were brought forward by Jimmy Gifford bearing the "Lad Shield," Allen Lovett the "Page Shield," Terry Posten the "Squire Shield" and James Copley the "Knight Shield."

The candlelight ceremony was centered around the R A emblem which was mounted on a Royal Blue cloth. Those receiving the "Lad" award were, Mack Wright, Ernest Browning, Gary Conley, Ronnie Brown and Larry Stewart.

The "Page" award was presented to Larry Stewart and the "Squire" award to Dicky Strayer.

Mr. Brown was presented with the Counselors pin by the church. As a part of the program each boy recited their requirements and achievements.

THANKSGIVING AT HOME

Some of the students attending the University of Florida in Gainesville who were able to spend Thanksgiving at home were: Johnny Smith, Roger Hutton, Walter Young, Wayne and John Hundley and Robert Boe. Home from Florida State University are Misses Carol Hutton, Connie Singletary, Janette Harrington, Amy and Cathy Young, Patsy Keene and Raybeth Grey.

Why should you buy
 U. S. Savings Bonds when there are
 so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money; either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Keep freedom in your future with

Let Your Money Earn 4½% Payable Semi-Annually

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my H Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your H Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Goodwill Store In Pahokee To Open

Mayor Duncan Padgett of Pahokee will officiate at the opening of Goodwill Industries' new store on Friday, November 27. The store, located at 279 Lake Avenue, will sell clothing that has been reconditioned by Goodwill's handicapped employees.

Ribbon cutting ceremonies will take place at 1:00 p. m. and will be preceded by a luncheon of Big Lake Area community leaders, and officials of Goodwill Industries Suncoast. This will be the sixteenth store operated by the Goodwill organization in south and central Florida.

Goodwill is non-profit providing employment for more than 50,000 handicapped persons across the Nation. In the Suncoast operation more than 350 such handicapped people are presently working at jobs in the gathering, cleaning, and reconditioning of clothing and other articles for resale. Money received from the sales provides the wages and operating expenses.

Among those attending the luncheon and ribbon cutting will be William Benton, President of the Chamber of Commerce; Marvin Levins, Fire Chief, Guy Wood, Chief of Police; R. M. Sanders, Rotary Club President; Glenn Brower, Lions Club President; Carmen Salvatore, City Council Chairman; Mrs. E. C. Johnson, President of the Pahokee Woman's Club; Dr. R. C. Lane, P. T. A. President; Mrs. Johnnie Verhulst, President of Business and Professional Woman's Club; Rev. William Boland of the Belle Glade Methodist Church.

A local manager and two clerks will be employed to operate the store. Rev. Spurgeon Hinds of West Palm Beach, the Territorial representative of Goodwill, will supervise the operations in Palm Beach and neighboring counties. Mr. Hinds states that another store will be opened soon in West Palm

Beach and that a branch for processing the materials will be established early in 1965. Offices for the organization, which serves the handicapped people in 37 Florida counties are located in the St. Petersburg-Tampa area.

Miss Velma Williams To Wed Ronald Hair

Miss Velma Williams, daughter of Mr. and Mrs. J. E. Williams, will become the bride of Ronald Hair, at 6:00 p. m. December 22 at the Canal Point Baptist Church. Rev. Lawrence Stewart will perform the ceremony. Miss Williams will be given in marriage by her father and has chosen as her maid of honor, Miss Alice Hurt.

Bridesmaids will be Miss Patricia Hair, sister of the groom; Miss Sharon Watson and Miss Charlene Godding of Mt. Dora. Best man will be John Hair, Dalton, Ga., father of the groom and ushers will be Gray Hair, brother of the groom; Herman Earl Clark and Wayne Edmondson.

No invitations are being sent locally and all friends of the couple are invited.

Mrs. Bennie Baxter Honored At Party

The home of Mrs. Melvin Spooner, 1221 Bacom Point Road, was the scene of a party honoring Mrs. Bennie Baxter, Monday afternoon from 3 to 5 p. m. Hostesses with Mrs. Spooner were Mrs. E. C. Johnson, Mrs. R. O. Shackford, Mrs. Lois Whitt, Mrs. Lester Hand, Mrs. Annie Marie Carter, Mrs. Edgar Wilder, Mrs. Frank Brady, Mrs. Edna Pickett, Mrs. Harry Brooks Elarbee, Mrs. Thadd Whidden and Mrs. Joe Hatton, Jr. A Sterling meat fork and sugar shell in Mrs. Baxter's sterling pattern were presented to the honoree by the hostesses.

W. M. DuBose of Jacksonville, is spending the Thanksgiving holidays with his wife, Mrs. DuBose in Pahokee.

Private Woodlands Rate High In State

The "Private Woodlands" of Florida amount to 38 percent of the State's total forest acreage. This far and away exceeds other ownership of Public—11 percent, Forest Industries—23 percent, Farm—28 percent.

More than 7,000,000 Florida acres are private woodlands which are defined as acreage ownership which is non farm and non-industrial. It embraces a large number of owners including merchants, professional men and city dwellers who own woodland acreage. This definition also includes people who live in the country but do no farming.

Along with the farm ownership grouping, the private woodlands are poorest managed. Both the industrial and public ownerships have a higher degree of protection, reforestation, stocking, and timber quality.

The need for wood will increase 40 percent by 1975 and will double by the year 2000. This creates an immediate challenge to farm and

private woodland owners to manage their woodlands for maximum growth and profit. The Florida Forest Service is available to assist these owners in achieving this goal.

The Agricultural Conservation Program provides, through the Agricultural Stabilization and Conservation Service, certain payments for forestry, soil, water and wildlife development practices. These payments are available to private woodland owners.

Forest owners interested in the benefits of the Program may obtain more information from the Florida Forest Service by contacting R. C. Hill, District Forester, or H. S. Friesehner, Farm Forester, P. O. Box 766, Tice, Florida.

CARD OF THANKS

I want to thank my friends for their visits, cards, gifts, flowers and prayers while in the hospital. I also want to thank the good nurses and Dr. Gist, who was so faithful to me, also the colored help. Must say we have a good hospital.

SETH W. ROBERTS

STETSON VISITORS

Miss Ruth Colvard and Miss Diane Bethea are the guests of Miss Colvard's parents, Rev. and Mrs. Guthrie Colvard for the Thanksgiving holidays. Both girls are students at Stetson University in Deland.

Gaulden Harrington spent the past weekend in Morven, Ga., visiting relatives.
